Integrity... Serving... Teamwork... Excellence...

April 2007

A NOTE FROM JAY

Because of your prayers and gifts, FCA is impacting athletes and coaches for Christ at Lee University, South Pittsburg High School, East Ridge Middle School, and over 70 other area campuses.

I never had the privilege of meeting the man I'll refer to as Mr. H, but he is a real hero to me. Each fall, when funding is often slow, we receive a generous gift from Mr. H's estate. What a wonderful blessing it is that this man left a legacy of helping FCA share the gospel through the vehicle of sports.

While the vast majority of FCA's support comes from monthly, quarterly, or annual contributions from individuals, businesses, churches, or foundations, this newsletter highlights other ways of helping, including in-kind gifts as described on this page. It is also possible to assist FCA with donations of stock, real estate, livestock, charitable remainder trusts, gift annuities, etc., in partnership with the FCA Foundation, the Chattanooga Christian Community Foundation, or the financial institution of your choice.

Our FCA staff is working and dreaming of new, out-of-the-box ways to minister to today's young athletes and coaches, and we hope that many of you will think of some creative ways to help. Please know how thankful we are to you and to our Lord and Savior Jesus Christ for the privilege of working in furtherance of the Kingdom of God.

For the Glory!
